Hi All,

If everyone could cast their eyes over this week's pre-reading that would be great. It is compulsory as we are covering Incident investigations and

If you have a laptop, please bring it. Lets meet in the Lecture theatre - B202 this afternoon as the other room was very hot when I visitied today.

Please seat yourself in groups of 4. It can be the same OR different to your groups from last week so we can conduct part of the investigation in class.

Please sit towards the front as I still don't have my voice back.

thank you.

Natalie
